CAMPUS MINISTRY

Truly God never ceased to answer our prayers. Last February, we've started talking with the principal of Paitan Integrated School if it is possible that we could teach their students about the Word of God. The following month, we were given the chance to bring some of our church members to teach and share about God's wonderful salvation. Hundreds of the students and two of their teachers accepted Jesus Christ as their Lord and personal Savior. Glory to the Highest! Due to the COVID 19, we were not able to continue and finish teaching in that campus.

We've received a text message last April from the school's Supreme Student Council (SSC) adviser, giving us the upcoming school year (2020-2021) for our Campus Ministry and to have a Bible study with the teachers as well. Supposedly, launching of the "Operation Young Timothy" (our Campus Ministry title) should be this month of June. Sadly, all the schools here in the Philippines are still CLOSED due to the pandemic.

SHARING DURING LOCKDOWN

For more than three months of "home quarantine", God has given us the opportunity to be a channel of His blessings to others (especially to our church attenders and members). We were able to give each household a pack of grocery items and a sack of rice. Powdered milk, diapers, and biscuits were also given to the young ones.

Our Heavenly Father taught us to share and give even though we are also in the midst of a need.

BUILDING UPDATE

Two weeks before the lockdown, we started constructing the prophet chamber and the worker's room. We just finished pouring the roof over it. Our church building (worship place) on the other hand, is still being worked on. We praise and thank the Lord for His provisions which most of the time has been through unexpected ways.

CANCELLED MINISTRIES AND ACTIVITIES

We are experiencing difficulties and challenges due to COVID-19. From March to June, all the public gatherings/meetings are strictly prohibited. This caused the cancellation of all our campus ministry, children and youth ministry, feeding ministry, visitation and Vacation Bible School (VBS). Even the celebration of our 6th church anniversary was also postponed. Church services are done through online.

Recently, we are able to meet the 50% of the congregation in accordance to the guidelines of the government.

All for Jesus,
Rhyan, Bhelle and Shamgar
