First Quarter 2024

Dan, Jamila, Jamie, Keziah, Kerien

Dear Friends,

The first quarter of 2024 has been brimming with possibilities. Our hearts truly overflow with gratitude for your love for the Lord's ministry. Your unwavering support and your prayers are like whispered blessings that encourage us to continue forward for all of God's glory.

These are updates from several ministries of this quarter:

CHILDREN'S WEEKLY FEEDING PROGRAM:

We can not help but smile when we think of the children's gatherings. As we circle around communities each week to an average of 600 kids, by God's grace, we are not only able to somehow nourish their bodies with food, but also plant seeds of faith through Bible stories. Witnessing the joy on their faces and the overflowing thankfulness from their families is a constant reminder of the profound impact of sharing God's love. Speaking of blessings, our daughter Jamie Claire has blossomed into a true gift. Her dedication and organizational skills have become the mainstay of this ministry, allowing us to reach even more children with love and compassion.

PARTNERSHIP WITH THE SOCIAL WELFARE:

Family is the cornerstone of a strong community, and that's why our family development seminars hold such a special place in our hearts. Equipping poverty-stricken families with the tools they need to thrive, from financial literacy to effective parenting skills, empowers them to break free from cycles of hardship and build a brighter future.

POLICE & JAIL MINISTRIES:

We are grateful for the meaningful partnerships that have blossomed with local authorities. Offering spiritual support through weekly Bible studies to police officers who bravely serve our community. The Lord has allowed us to reach out and make a tangible difference in the lives of the inmates. As the Lord provides for the needs, we are able to bring food boxes for everyone upon our visit with them.

HOMELESS FEEDING:

During this quarter, we are able to reach out to the street-dwellers every month. With the Lord's gracious provisions, our simple service to the homeless community are more than just sustenance – they are a tangible expression of hope.

CAMPUS MINISTRY:

The energy on campus is contagious! Our weekly meetings with students are a testament to the importance of faith in these formative years. The positive feedback from principals, both elementary and high school, warms our hearts. Some are now consistently attending our church services while some have decided to follow the Lord in water baptism. We praise God for providing for us 10,000 pieces of John & Romans books that we are able to hand out to each of our students. Seeing each one embrace God's plan and radiate their faith fills us with a sense that God's purpose for this ministry is being accomplished.

Despite the challenges, we face them with faith, knowing that we are not alone. The recent acquisition of a van feels like a divine answer to our prayers, significantly enhancing our ability to serve. We are deeply humbled by your unwavering partnership in this entrusted ministry.

As we look ahead, excitement grows within us. The vision of our church building's third floor to serve as a recreation area for our youth and the goal of a Vacation Bible School for 2,000 kids in early June fill us with immense hope. Once again, we truly are grateful for your continued prayers, love, and support. From the depths of our hearts, thank you.

**With love and appreciation,
The Caba Family**
