Summer Youth Camp

Vacation Bible School

## Dear Friends,

With hearts full of joy and gratitude, we are delighted to share the latest updates from our beloved Open Door Baptist Church. Our community has been blessed with numerous opportunities to serve and grow together, and we are excited to share these beautiful moments with you.

### Summer Youth Camp: A Time for Renewal

During our summer vacation, we strove to keep our youth engaged and spiritually nourished. Our summer youth camp was held during the beginning of July, and among the 350 campers, 89 were delegates from the ODBC Family. I had the honor of preaching at one of the services, while Jamie Claire was part of the hosting team during our services. It was a fruitful week, and many came to know Christ, while others' hearts were rekindled to serving Jesus.

### Vacation Bible School: A Week of Joy and Learning

Our hearts overflow with joy as we reflect on the incredible success of our Vacation Bible School (VBS), held also in July. With 1,000 precious children joining us, our church was filled with laughter, songs, and the sounds of young voices learning about God's love. Each day, these children experienced the warmth of brethren from ODBC through engaging Bible lessons and nourishing meals. This week-long journey was a beautiful testament to the power of God's love, provision, and protection as He worked in young hearts.

### **New Ministry with the Philippine National Police**

We are overjoyed to announce the beginning of a new ministry with the Philippine National Police (PNP). Each week, we gather with 60 dedicated police officers to share the timeless wisdom and moral values found in God's Word. This ministry is a heartfelt effort to support and strengthen these brave individuals as they serve our community with integrity and compassion. We are deeply grateful for the chance to walk alongside them in faith and look forward to the blessings this ministry will bring in the weeks to come.

### **Typhoon Carina Relief Efforts**

In the wake of Typhoon Carina, hand-in-hand, ODBC came together with compassion. The devastating floods impacted many homes, but through God's grace and your unwavering support, we were able to provide much-needed relief. Distributing food supplies to those brethren who were affected was a powerful reminder of our collective strength and love in times of crisis. We remain committed to standing by these families as they rebuild their lives, guaranteeing our prayers and assistance every step of the way.

### **Back to School: Partnering with Local Campuses**

As July ushers in the back-to-school season, our hearts are filled with hope and excitement for the opportunities ahead. We eagerly anticipate partnering once again with nearby elementary and high school campuses through our campus ministry. Engaging with students, sharing messages of hope and faith, and supporting their educational journeys is a mission close to our hearts. Your prayers and support are essential as we strive to make a lasting, positive impact on the lives of these young learners.

Thank you for your continued love, support, and prayers. You have remained a blessing to us throughout the many years to us and we pray that the Lord will return these blessings to you abundantly. We are grateful for your kind hearts.
