Dear Friends,

Greetings in the name of our Lord and Savior, Jesus Christ! We hope this letter finds you in good health and with His peace. It has been a great privilege to serve and witness the amazing work God is doing here in Pangasinan, Philippines. First and foremost, we want to take this moment to thank you for your continued prayers, support, and partnership in this mission. Second, to share some exciting updates in the family, ministry, and prayer requests as well.

Our Family...

After years of whispered prayers and hopeful dreams, our baby girl has finally arrived! Syntyche is a beautiful reminder of God's faithfulness to our family. Shamgar, on the other hand, is doing well as a big brother.

VBS...

We were able to minister to and lead around 400 children (ages 6 to 12) to the Lord during our recent Vacation Bible School. They were so excited to play, do art activities, learn and sing new songs, and hear biblical stories each day. After the lesson, they were fed with bread and fruit juices and were also given school supplies.

Baptism...

It is with great joy to share the wonderful news of the baptism of nine ladies, the fruit of several months of teaching, praying, and serving. Witnessing their journey of spiritual growth and commitment has been such a blessing. Another good thing is that most of them live close to the church.

Campus Ministry...

It is our desire to spread the gospel to the young people in the nearby public schools. Praise the Lord because we were given the opportunity to teach over two thousand students weekly. Every Friday, more students are attending, learning about the bible, and developing a deeper relationship with God.

Prison Ministry...

The Lord has been opening doors to reach many individuals who find themselves in the dark and difficult circumstances of their lives. The majority of them come from broken backgrounds, battling addiction, trauma, and hopelessness. By God's grace, we have witnessed remarkable transformations in the lives of many individuals. Through the power of the gospel, they are now walking and living each day with hope which comes only from the Lord.

This ministry is also extended to their families outside the bars. We were able to reach them and share the Good News of salvation.

Once again, thank you for your unwavering support. Your partnership in the gospel is bearing fruit. We are continually encouraged by your faithfulness, and we know that God is using each of you to make an eternal impact here.

Rhyan. Bhelle. Shamgar. and Syntyche
